Chief Haacke,

Russia Community Fire Company would like to request 12 sets, in various sizes of the outdated personal protective turnout gear you are preparing to donate. We are a 501(c)3 non-profit organization, tax identification number 34-1191570. The Fire Company and it's members understand this gear is out of date and is no longer suitable for structural firefighting operations. The gear will be maintained by the Fire Company and made available for members to use as an added layer of protection in the event a member would enter a vehicle during rescue or extrication operations. The gear will also be made available to members of Versailles EMS during extrication operations. Versailles EMS provides EMS coverage for the Russia community Fire Company.

Thank you,
Tom Philipot
Fire Chief, Russia Community Fire Company
