

## Ronald C. Lewis Bio

I was born in Springfield, Ohio in 1966 and raised on the same farm that I currently live on in Xenia Township between Xenia, Yellow Springs and Cedarville. In 1984 I graduated from Xenia High School and in 1989 from Ohio Northern University with a BSBA in Business Administration. In 1993 I graduated from the Ohio Northern University College of Law and was admitted to the Ohio Bar later that fall.

My wife Amy and I were married in 1992. We met when she was assigned to be my peer advisor in law school. Amy and I have four children: Mary Adeline 23, Fielding 21, Fisher 18 and Sam 14. Mary Adeline is a graduate of Miami University and is currently attending law school at the University of Dayton. Fielding is a junior at the University of Cincinnati. Fisher is a senior at Yellow Springs High School and will attend Ohio Northern University in the fall where he will be playing soccer. Sam is a freshman at Yellow Springs High School.

I have been the prosecutor for the City of Xenia since August, 2000 and held contracts since that date to prosecute for the following jurisdictions: Bellbrook, Yellow Springs, Cedarville, Jamestown, Sugarcreek Township, Ohio State Patrol, the Greene County Sheriff's Office, Greene County Parks, Greene County Animal Control, Ohio State Parks, the State of Ohio Department of Taxation, Ohio Watercraft Officers, Central State University, Wilberforce University, Cedarville University and Antioch University. Prior to 2000 I prosecuted for the City of Fairborn and Beavercreek Township in addition to the Ohio State Patrol. During that time period I also practiced law in the firm of Wolaver, Lewis and Tornichio. In addition to my current prosecutor responsibilities, I am currently practicing law in the City of Dayton in the law office of Attorney Larry Laskey.

I am a lifelong member of Faith Community United Methodist Church in Xenia. Civically, I am involved with the following organizations: the Xenia Area Chamber of Commerce where I am the current president; a member of and on the board of the Xenia Rotary Club; a board member of the Greene County Family Violence Prevention Center; a board member of the Greene County Law Library; a past president of the Greene County Bar Association where I was a member of the Greene County Bar Association Grievance Committee; a board member of Glen Helen Nature Preserve; a member of Greene County Fraternal Order of Police; and past board member and Vice President of the Community Network ( Greene County Mental Health). I look forward to joining the Montgomery County Bar Association.
