1185.06 TEMPORARY SIGNS (ADDITIONAL PERMITTED)

In addition to temporary signs permitted in the specific district requirements of this article, temporary signs shall also be permitted which comply with the following requirements:

- ~~— (a) One sign per parcel shall be permitted which is constructed of metal facing and framing. (Real Estate signs are included under this provision)~~
- ~~— (1) Sign height shall not exceed four feet.~~
- ~~— (2) Total sign area shall not exceed six square feet per sign face or 12 square feet in total sign area.~~
- ~~— (3) Any sign or any part thereof shall be set back a minimum of 15 feet from the edge of an adjacent roadway pavement. Additional setback may be required to avoid placement within the public right-of-way.~~
- ~~— (4) A sign permit shall not be required for display of this sign.~~
- ~~— (b) One or more temporary ground signs per parcel shall be permitted which are constructed of poster board, cardboard, masonite, plywood or plastic material and mounted to wood frames or supports.~~
- ~~(1) Sign height shall not exceed four feet.~~
- ~~— (2) Total sign area shall not exceed six square feet per sign face or 12 square feet in total sign area~~
- ~~— (3) Display shall be limited to one continuous 30-day period in any one-half calendar year per parcel for all signs of this nature.~~
- ~~— (4) Any sign or any part thereof shall be set back a minimum of 15 feet from the edge of an adjacent roadway pavement. Additional setback may be required to avoid placement within the public right-of-way.~~
- ~~— (5) Any person(s) receiving a permit issued by the city for erecting or installing a temporary sign under 1185.06(b), 1185.07(b), 1185.08(c), 1185.09(g), 1185.10(i), 1185.11(e), or 1185(d) shall remove said sign within three days of the expiration of the permit.~~
- ~~— A. To ensure removal, the applicant shall be required to place a bond with the city at the time of the permit issuance for the removal of the sign. Said bond shall be in the amount of \$50.00 and shall be refunded in full to the applicant if the permitted sign is removed within three days of the expiration of the permit.~~
- ~~— B. In the event a permitted temporary sign is not removed within three days of the expiration of the permit, said sign shall be deemed an illegal sign and the bond shall be forfeited to the city to cover removal costs.~~
- ~~— C. All signs described in 1185.06(a) and 1185.06(c) shall be exempt from this subsection.~~
- ~~— (c) Any permit issued by the city for erecting, installing or having in place a temporary sign as defined in 1186.06(b) during the period of time extending from 31 days before any scheduled primary, general, local and/or special election through five days after any scheduled primary, general, local and/or special election may include the installation, erection or placement of such temporary signs at one or more locations, providing that any and all signs approved by such permit are of the same information content. (Political signs are included under this provision.)~~
- ~~— (1) The duration of time for which any such temporary sign is erected and in place during the period of time delineated in this Section (c) above shall not be counted against or included in the limitation of one 30-day continuous period, as such limitation is set forth in 1185.06(b)(3) of the Sign Code.~~
- ~~— (2) Temporary ground signs as defined in 1185.06(b) of the Sign Code shall also include signs which are mounted to or on metal or plastic frames or supports.~~
- ~~— (3) The requirements of subsection (b)(1), (2) and (4) above shall also apply.~~

~~—(d) The owner of any business, in conjunction with the grand opening for a new or relocated business, may use one of the following types of attention-getting devices for no more than thirty consecutive days:~~

~~(1) Balloons~~

~~(2) Spinners~~

~~(3) Streamers~~

~~(4) Searchlights, but not to exceed seven consecutive days.~~

~~—(5) The applicant shall establish the time period in agreement with the Zoning Administrator.~~

~~—(e) The owner of any business, in conjunction with a special event, may use one of the types of attention-getting devices listed in subsection (d) above for no more than two (2) seven (7) day periods in any calendar year.~~

(a) Location. One ground or window sign per street frontage shall be permitted. (A) Any ground sign or any part thereof shall be set back a minimum of 15 feet from the edge of an adjacent roadway pavement. Additional setback may be required to avoid placement within the public right-of-way and/or to prevent line-of-sight obstruction.

(b) Area. The total sign area shall not exceed six square feet per sign face or 12 square feet in total sign area if two sided.

(c) Height. Sign height shall not exceed four feet.

(d) Material. Sign may be constructed of poster board, cardboard, masonite, plywood or plastic material and mounted to wood, metal or plastic frames or supports.

(e) Condition. Because of the nature of materials typically used to construct temporary ground signs, to avoid the unsightliness of deteriorating signs and all safety concerns which accompany such a condition, temporary ground signs must be removed or replaced when sign is deteriorated. The City may remove any deteriorated sign and charge the expenses for the removal to the owner of the property on which the sign is displayed. Any unpaid charges may be assessed in the form of a lien against the owner of the property.

(f) Enforcement. Signs encroaching on the right-of-way will be removed by the City. Signs removed by the City can be picked up at the Public Works Department. Signs not claimed will be destroyed in 30 days.

(g) Marketing Signage

(1) A sign permit is required for display of this sign.

(2) Duration

(A) Display shall be limited to one continuous 30-day period in any one-half calendar year per parcel for all signs of this nature.

(B) Any person(s) receiving a permit issued by the city for erecting or installing a temporary sign shall remove said sign within three days of the expiration of the permit.

(3) Additional Allowed
