

SINCLAIR COLLEGE

STUDENTS SUCCEEDING BECAUSE OF YOU

DAVID, a Sinclair **Young Scholar** graduate and former Marine, wants to be a pediatric nurse. Sinclair's Nursing program—and the new **Health Sciences** Center (opening Fall 2017) will help him get there through high-quality programming, certified instructors, and interdepartmental learning.

42

The number of programs in Sinclair's Health Sciences division (17 degrees and 25 certificates)

ALEXIS put school on hold to raise her family, and now she has returned to study Supply Chain Management. She completed an **internship** at ATW Automation and is currently employed at Stratacache as a Supply Chain Manager. She plans on completing her degree in May 2017. Her high school son is following her example and is earning Sinclair credits through the **College Credit Plus** program.

3,400+

The number of students enrolled in Sinclair's College Credit Plus Program during Fall 2016; this program allows students to earn college credit while still in high school

SIERRA chose Sinclair over four-year schools because it was a better fit for her academically and personally. Having received her associate degree in May 2016, she is now continuing her education at Wright State University in the **Double Degree Program**, which allows her access to the benefits and services at both schools, along with **transferring** seamlessly.

\$40,000

The amount of money a student can save by beginning a post-secondary education at Sinclair

JOHN, JENNIFER and **JOSHUA** participated in **Service Learning** projects that gave them **real world experience** in geospatial technology. Their efforts earned top awards at a 2015 regional conference of the Association of American Geographers. As the only community college participating, Sinclair bested 25 other colleges and universities.

1,200

The number of Sinclair students who participated in Service Learning opportunities during the 2015-16 academic year

KAMAL is pursuing a degree in Social Work and plans to continue his education to earn a Bachelor's degree. He's involved in Sinclair's new **African-American Male Initiative** that's focused on increasing success rates of African-American men. In May 2016, Sinclair's Board of Trustees invested \$1 million in this effort.

40

The number of **student completion** initiatives instituted by Sinclair over the past 20 years, including the award-winning Fast Forward Center and the Young Scholars and Think College programs

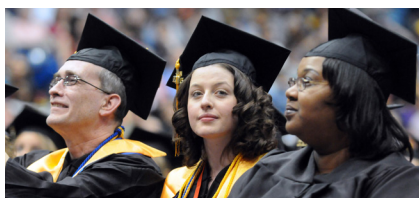

VINIE wasn't ready to retire. In her late 70's and new to Dayton, she found Sinclair's **College for Lifelong Learning**. With 150+ non-credit classes, seminars and workshops, lifelong learners can study investing, technology, history, and more. Vinie decided to pursue credit classes, and on May 6, 2016, at the age of 89, became the oldest Sinclair graduate. She will tell you plainly, "you are never too old to acquire knowledge."

1,273

The number of College for Lifelong Learning students who are taking a non-credit class, auditing a credit class, or taking a class for credit
