Report for May, 2018

- 1) May 4, 2018 I attended Trotwood Madison Educational Foundation Gala. It was a very enjoyable event which was well attended and raised funds from the Silent Auction.
- 2) I consulted with City Manager Quincy Pope and Mrs. Birdsong, from Code Enforcement, regarding neighbors from the Oakview Estates Neighborhood who encouraged me to look into getting grass cut in vacant lots. City Manager Pope and Mrs. Birdsong did a great job in fulfilling this need.
- 3) May 15, 2018 I participated in a teleconference for the Trotwood Madison Educational Foundation. The members were in agreement that the recent gala was a huge success. It was the largest gala event they had put on (174 people, including former students). They raised more money from the Silent Auction (\$2,000) and the sale of tickets than ever before. There were more former student alumni than ever before. With the two accounts they have with the Dayton Foundation, they have over \$140,000. We discussed new and eventful ways to get more former alumni to attend future meetings. It was decided not to have another meeting until August, 2018.
- 4) I asked City Manager Pope for an updated list of improvements and accomplishments made by this administration since he became City Manager. I received the list and feel it will be helpful to me since I am talking to more citizens, church groups and other associations. Thanks, Quincy Pope.
- 5) There was no scheduled meeting for the Zoning Appeals Board.
- 6) I talked to Chief Erik Wilson about some complaints from citizens about cars driving through stop signs on the corner of Burma and Stockhardt. Chief Wilson was aware of the problem, and he explained the Motorcycle Policeman already has that area in Broadmoor under surveillance. Keep up the good work, Chief Wilson.
