Capitalized terms not otherwise defined in this Ordinance have the meanings assigned to them in the Act. Reference to a Section means a section of this Ordinance unless otherwise indicated.

Section 2. Findings. This Council hereby finds and determines that the Project (defined below) is a “project” as defined in the Act and is consistent with the purposes of Section 13 of Article VIII, Ohio Constitution; that the utilization of the Project is in furtherance of the purposes of the Act and will benefit the people of the City and of the State of Ohio by creating or preserving jobs and employment opportunities and improving the economic welfare of the people of the City and of the State of Ohio; and that the amount necessary to refund the Refunded Bonds, which were issued to finance the Project, will require the issuance, sale and delivery of the Bonds, which Bonds shall be payable and secured as provided herein.

Section 3. Authorized Principal Amount and Purpose; Application of Proceeds. This Council determines that it is necessary and in the best interest of the City to issue bonds of this City in the maximum principal amount of \$5,950,000 (the “Bonds”) for the purpose of paying the costs of refunding bonds previously issued by the City to pay costs of acquiring real estate, including all necessary appurtenances thereto, and improving Olive Road, Wolf Creek Pike, Prosperity Drive and Modern Way by repaving, adding lanes, curbing and installing signalization, constructing water and storm water lines and acquiring real property, together with all necessary appurtenances (collectively, the “Project”). The Bonds shall be issued pursuant to the Act, the Charter of the City, this Ordinance and the Certificate of Award.

The principal amount of Bonds to be issued shall not exceed the maximum principal amount specified in this Section 3 and shall be an amount determined by the Director of Finance in the Certificate of Award to be the principal amount of Bonds that is required to be issued at this time for the purpose stated in this Section 3, taking into account the costs of refunding the Refunded Bonds, other City moneys available for the purpose, the estimates of the Financing Costs and the interest rates on the Bonds. The Refunded Bonds shall be determined by the Director of Finance in the Certificate of Award as the maturities of the Outstanding 2010 Bonds, the refunding of which will be in the best interest of and financially advantageous to the City.

The proceeds from the sale of the Bonds received by the City (or withheld by the Original Purchaser on behalf of the City) shall be paid into the proper fund or funds, and those proceeds are hereby appropriated and shall be used for the purpose for which the Bonds are being issued, including without limitation but only to the extent not paid by others, the payment of the costs of issuing and servicing the Bonds, printing and delivery of the Bonds, legal services including obtaining the approving legal opinion of bond counsel, fees and expenses of any placement agent, paying agent, escrow trustee, bidding agent and verification consultant, and all other Financing Costs and costs incurred incidental to those purposes. The Certificate of Award, and to the extent it is determined necessary by the Director of Finance in the Certificate of Award, the Purchase Agreement, may authorize the Original Purchaser to withhold certain proceeds from the purchase price of the Bonds to provide for the payment of Financing Costs related to the Bonds on behalf of the City. Any portion of those proceeds received by the City representing premium (after payment of any Financing Costs identified in the Certificate of Award and the Purchase Agreement (if any)) shall be used to pay costs of refunding the Refunded Bonds and/or be paid into the Economic Development Bond Service Fund, with such determination being made by the Director of Finance in the Certificate of Award, consistent with the Director of Finance’s determination of the best interest of and financial advantages to the City. Any portion of those proceeds received by the City representing accrued interest shall be paid into the Economic Development Bond Service Fund.

Section 4. Denominations; Dating; Principal and Interest Payment and Redemption Provisions. The Bonds shall be issued in one lot and only as fully registered bonds, in Authorized Denominations, but in no case as to a particular maturity date exceeding the principal amount maturing on that date. The Bonds shall be dated as provided in the Certificate of Award; provided that their dated date shall not be more than sixty (60) days prior to the Closing Date. If requested by the Original Purchaser, the Director of Finance is hereby authorized to prepare one bond representing the aggregate principal amount of Bonds maturing on all of the Principal Payment Dates, all as set forth in the Certificate of Award. The Bonds may be issued as (i) a single fully registered Serial Bond with principal installments payable in amounts equal to the principal amounts of the Bonds stated to mature or be payable pursuant to Mandatory Sinking Fund Redemption Requirements on the respective Principal Payment Dates or (ii) one or more fully registered Term Bonds with Mandatory Sinking Fund Redemption Requirements in amounts equal to the principal amount of the Bonds stated to mature or be payable pursuant to Mandatory Sinking Fund Redemption Requirements on the respective Principal Payment Dates.

(a) Interest Rates and Payment Dates. The Bonds shall bear interest at the rate or rates per year and computed on the basis as shall be determined by the Director of Finance, subject to subsection (c) of this Section 4, in the Certificate of Award. Interest on the Bonds shall be payable at such rate or rates on the Interest Payment Dates until the principal amount has been paid or provided for. The Bonds shall bear interest from the most recent date to which interest has been paid or provided for or, if no interest has been paid or provided for, from their date.

(b) Principal Payment Schedule. The Bonds shall mature or be payable pursuant to Mandatory Sinking Fund Redemption Requirements on the Principal Payment Dates in principal amounts as shall be determined by the Director of Finance, subject to subsection (c) of this Section 4, in the Certificate of Award, which determination shall be in the best interest of and financially advantageous to the City.

Consistent with the foregoing and in accordance with the Director of Finance's determination of the best interest of and financial advantages to the City, the Director of Finance shall specify in the Certificate of Award (i) the aggregate principal amount of Bonds to be issued as Serial Bonds, the Principal Payment Date or Dates on which those Bonds shall be stated to mature and the principal amount thereof that shall be stated to mature on each such Principal Payment Date and (ii) the aggregate principal amount of Bonds to be issued as Term Bonds, the Principal Payment Date or Dates on which those Bonds shall be stated to mature, the principal amount thereof that shall be stated to mature on each such Principal Payment Date, the Principal Payment Date or Dates on which Term Bonds shall be subject to mandatory sinking fund redemption (each a "Mandatory Redemption Date") and the principal amount thereof that shall be payable pursuant to Mandatory Sinking Fund Redemption Requirements on each Mandatory Redemption Date.

(c) Conditions for Establishment of Interest Rates and Principal Payment Dates and Amounts. The rate or rates of interest per year to be borne by the Bonds and the principal amount of Bonds maturing or payable pursuant to Mandatory Sinking Fund Redemption Requirements on each Principal Payment Date, shall be such as to demonstrate a net present value savings to the City due to the refunding of the Refunded Bonds, after taking into account all expenses related to that refunding and the issuance of the Bonds.

(d) Payment of Debt Charges. The debt charges on the Bonds shall be payable in lawful money of the United States of America without deduction for the services of the Bond Registrar as paying agent. Principal of and any premium on a Bond shall be paid on each Principal Payment Date and interest shall be paid on each Interest Payment Date by check or draft mailed to the person in whose name the Bond was registered, and to that person's address appearing, on the Bond Register at the close of business on the 15<sup>th</sup> day preceding that Interest Payment Date; provided, however, that so long as the entire principal amount of the Bonds is represented by a single certificate, payment of principal and interest may be made by wire or check or draft mailed to the person in whose name the Bond was registered on the applicable date of payment, with presentation and surrender of said certificate to be made to the Bond Registrar after payment of principal and interest at final maturity.

(e) Redemption Provisions. The Bonds shall be subject to redemption prior to stated maturity as follows:

(i) Mandatory Sinking Fund Redemption of Term Bonds. If any of the Bonds are issued as Term Bonds, the Term Bonds shall be subject to mandatory redemption in part by lot and be redeemed pursuant to mandatory sinking fund redemption requirements, at a redemption price of 100% of the principal amount redeemed, plus accrued interest to the redemption date, on the applicable Mandatory Redemption Dates and in the principal amounts payable on those Dates, for which provision is made in the Certificate of Award (such Dates and amounts being referred to as the "Mandatory Sinking Fund Redemption Requirements").

The aggregate of the moneys to be deposited with the Bond Registrar for payment of principal of and interest on any Term Bonds on each Mandatory Redemption Date shall include an amount sufficient to redeem on that Date the principal amount of Term Bonds payable on that Date pursuant to the Mandatory Sinking Fund Redemption Requirements (less the amount of any credit as hereinafter provided).

The City shall have the option to deliver to the Bond Registrar for cancellation Term Bonds in any aggregate principal amount and to receive a credit against the then current or any subsequent Mandatory Sinking Fund Redemption

Requirement (and corresponding mandatory redemption obligation) of the City, as specified by the Director of Finance, for Term Bonds stated to mature on the same Principal Payment Date and bearing interest at the same rate as the Term Bonds so delivered. That option shall be exercised by the City on or before the 45<sup>th</sup> day preceding any Mandatory Redemption Date with respect to which the City wishes to obtain a credit, by furnishing the Bond Registrar a certificate, signed by the Director of Finance, setting forth the extent of the credit to be applied with respect to the then current or any subsequent Mandatory Sinking Fund Redemption Requirement for Term Bonds stated to mature on the same Principal Payment Date and bearing interest at the same rate as the Term Bonds so delivered. If the certificate is not timely furnished to the Bond Registrar, the current Mandatory Sinking Fund Redemption Requirement (and corresponding mandatory redemption obligation) shall not be reduced. A credit against the then current or any subsequent Mandatory Sinking Fund Redemption Requirement (and corresponding mandatory redemption obligation), as specified by the Director of Finance, also shall be received by the City for any Term Bonds which prior thereto have been redeemed (other than through the operation of the applicable Mandatory Sinking Fund Redemption Requirements) or purchased for cancellation and canceled by the Bond Registrar, to the extent not applied theretofore as a credit against any Mandatory Sinking Fund Redemption Requirement, for Term Bonds stated to mature on the same Principal Payment Date and bearing interest at the same rate as the Term Bonds so redeemed or purchased and canceled.

Each Term Bond so delivered, or previously redeemed, or purchased and canceled, shall be credited by the Bond Registrar at 100% of the principal amount thereof against the then current or subsequent Mandatory Sinking Fund Redemption Requirements (and corresponding mandatory redemption obligations), as specified by the Director of Finance, for Term Bonds stated to mature on the same Principal Payment Date and bearing interest at the same rate as the Term Bonds so delivered, redeemed or purchased and canceled.

(ii) Optional Redemption. The Bonds of the maturities and interest rates specified in the Certificate of Award (if any are so specified) shall be subject to optional redemption by and at the sole option of the City, in whole or in part in Authorized Denominations, on the dates and at the redemption prices (expressed as a percentage of the principal amount to be redeemed), plus accrued interest to the redemption date, to be determined by the Director of Finance in the Certificate of Award; provided that the redemption price for any optional redemption date shall not be greater than 103%.

If optional redemption of Term Bonds at a redemption price exceeding 100% of the principal amount to be redeemed is to take place as of any Mandatory Redemption Date applicable to those Term Bonds, the Term Bonds, or portions

thereof, to be redeemed optionally shall be selected by lot prior to the selection by lot of the Term Bonds of the same maturity (and interest rate within a maturity if applicable) to be redeemed on the same date by operation of the Mandatory Sinking Fund Redemption Requirements. Bonds to be redeemed pursuant to this paragraph shall be redeemed only upon written notice from the Director of Finance to the Bond Registrar, given upon the direction of the City by passage of an ordinance or adoption of a resolution. That notice shall specify the redemption date and the principal amount of each maturity (and interest rate within a maturity if applicable) of Bonds to be redeemed, and shall be given at least 45 days prior to the redemption date or such shorter period as shall be acceptable to the Bond Registrar.

(iii) Partial Redemption. If fewer than all of the outstanding Bonds are called for optional redemption at one time and Bonds of more than one maturity (or interest rate within a maturity if applicable) are then outstanding, the Bonds that are called shall be Bonds of the maturity or maturities and interest rate or rates selected by the City. If fewer than all of the Bonds of a single maturity (or interest rate within a maturity if applicable) are to be redeemed, the selection of Bonds of that maturity (or interest rate within a maturity if applicable) to be redeemed, or portions thereof in Authorized Denominations, shall be made by the Bond Registrar by lot in a manner determined by the Bond Registrar. In the case of a partial redemption of Bonds by lot when Bonds of denominations greater than the Authorized Denominations are then outstanding, each Authorized Denomination unit of principal thereof shall be treated as if it were a separate Bond of the Authorized Denomination. If it is determined that one or more, but not all, of the Authorized Denomination units of principal amount represented by a Bond are to be called for redemption, then, upon notice of redemption of an Authorized Denomination unit or units, the registered owner of that Bond shall surrender the Bond to the Bond Registrar (A) for payment of the redemption price of the Authorized Denomination unit or units of principal amount called for redemption (including, without limitation, the interest accrued to the date fixed for redemption and any premium), and (B) for issuance, without charge to the registered owner, of a new Bond or Bonds of any Authorized Denomination or Denominations in an aggregate principal amount equal to the unmatured and unredeemed portion of, and bearing interest at the same rate and maturing on the same date as, the Bond surrendered..

(iv) Notice of Redemption. The notice of the call for redemption of Bonds shall identify (A) by designation, letters, numbers or other distinguishing marks, the Bonds or portions thereof to be redeemed, (B) the redemption price to be paid, (C) the date fixed for redemption, and (D) the place or places where the amounts due upon redemption are payable. The notice shall be given by the Bond Registrar on behalf of the City by mailing a copy of the redemption notice by first-class mail, postage prepaid, at least 30 days prior to the date fixed for redemption,

to the registered owner of each Bond subject to redemption in whole or in part at the registered owner's address shown on the Bond Register maintained by the Bond Registrar at the close of business on the 15<sup>th</sup> day preceding that mailing. Failure to receive notice by mail or any defect in that notice regarding any Bond, however, shall not affect the validity of the proceedings for the redemption of any Bond.

(v) Payment of Redeemed Bonds. In the event that notice of redemption shall have been given by the Bond Registrar to the registered owners as provided above, there shall be deposited with the Bond Registrar on or prior to the redemption date, moneys that, in addition to any other moneys available therefor and held by the Bond Registrar, will be sufficient to redeem at the redemption price thereof, plus accrued interest to the redemption date, all of the redeemable Bonds for which notice of redemption has been given. Notice having been mailed in the manner provided in the preceding paragraph hereof, the Bonds and portions thereof called for redemption shall become due and payable on the redemption date, and, subject to the provisions of Section 4(d), upon presentation and surrender thereof at the place or places specified in that notice, shall be paid at the redemption price, plus accrued interest to the redemption date. If moneys for the redemption of all of the Bonds and portions thereof to be redeemed, together with accrued interest thereon to the redemption date, are held by the Bond Registrar on the redemption date, so as to be available therefor on that date and, if notice of redemption has been deposited in the mail as aforesaid, then from and after the redemption date those Bonds and portions thereof called for redemption shall cease to bear interest and no longer shall be considered to be outstanding. If those moneys shall not be so available on the redemption date, or that notice shall not have been deposited in the mail as aforesaid, those Bonds and portions thereof shall continue to bear interest, until they are paid, at the same rate as they would have borne had they not been called for redemption. All moneys held by the Bond Registrar for the redemption of particular Bonds shall be held in trust for the account of the registered owners thereof and shall be paid to them, respectively, upon presentation and surrender of those Bonds; provided that any interest earned on the moneys so held by the Bond Registrar shall be for the account of and paid to the City to the extent not required for the payment of the Bonds called for redemption.

Section 5. Execution and Authentication of Bonds; Appointment of Bond Registrar. The Bonds shall be signed by the Manager and the Director of Finance, in the name of the City and in their official capacities; provided that either or both of those signatures may be a facsimile. The Bonds shall be issued in the Authorized Denominations and numbers as requested by the Original Purchaser and approved by the Director of Finance, shall be numbered as determined by the Director of Finance in order to distinguish each Bond from any other Bond, and shall express upon their faces the

purpose, in summary terms, for which they are issued and that they are issued pursuant to the Act, the Charter of the City, this Ordinance and the Certificate of Award.

The Director of Finance is hereby authorized to designate in the Certificate of Award the Director of Finance, the Original Purchaser or a bank or trust company authorized to do business in the State of Ohio to act as the initial Bond Registrar. To the extent it is determined necessary by the Director of Finance in the Certificate of Award, the Manager and the Director of Finance shall sign and deliver, in the name and on behalf of the City, the Registrar Agreement between the City and the Bond Registrar, in a form as is approved by the Manager and the Director of Finance. The Registrar Agreement is approved, together with any changes or amendments that are not inconsistent with this Ordinance and not substantially adverse to the City and that are approved by the Manager and the Director of Finance on behalf of the City, all of which shall be conclusively evidenced by the signing of the Registrar Agreement or amendments thereto. The Director of Finance shall provide for the payment of the services rendered and for reimbursement of expenses incurred pursuant to the Certificate of Award and the Registrar Agreement (if any), except to the extent paid or reimbursed pursuant to the Certificate of Award and, to the extent it is determined necessary by the Director of Finance in the Certificate of Award, the Purchase Agreement (if any), from the proceeds of the Bonds to the extent available and then from other money lawfully available and appropriated or to be appropriated for that purpose.

No Bond shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under the Bond Proceedings unless and until the certificate of authentication printed on the Bond is signed by the Bond Registrar as authenticating agent. Authentication by the Bond Registrar shall be conclusive evidence that the Bond so authenticated has been duly issued, signed and delivered under, and is entitled to the security and benefit of, the Bond Proceedings. The certificate of authentication may be signed by any authorized officer or employee of the Bond Registrar or by any other person acting as an agent of the Bond Registrar and approved by the Director of Finance on behalf of the City. The same person need not sign the certificate of authentication on all of the Bonds.

#### Section 6. Registration; Transfer and Exchange.

(a) Bond Register. So long as any of the Bonds remain outstanding, the City will cause the Bond Registrar to maintain and keep the Bond Register at its main office. Subject to the provisions of Section 4(d), the person in whose name a Bond is registered on the Bond Register shall be regarded as the absolute owner of that Bond for all purposes of the Bond Proceedings. Payment of or on account of the debt charges on any Bond shall be made only to or upon the order of that person; neither the City nor the Bond Registrar shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section 6. All such payments shall be valid and effectual to

satisfy and discharge the City's liability upon the Bond, including interest, to the extent of the amount or amounts so paid.

(b) Transfer and Exchange. Any Bond may be exchanged for Bonds of any Authorized Denomination upon presentation and surrender at the main office of the Bond Registrar, together with a request for exchange signed by the registered owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. A Bond may be transferred only on the Bond Register upon presentation and surrender of the Bond at the main office of the Bond Registrar together with an assignment signed by the registered owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. Upon exchange or transfer the Bond Registrar shall complete, authenticate and deliver a new Bond or Bonds of any Authorized Denomination or Denominations requested by the owner equal in the aggregate to the unmatured principal amount of the Bond surrendered and bearing interest at the same rate and maturing on the same date.

If manual signatures on behalf of the City are required, the Bond Registrar shall undertake the exchange or transfer of Bonds only after the new Bonds are signed by the authorized officers of the City. In all cases of Bonds exchanged or transferred, the City shall sign and the Bond Registrar shall authenticate and deliver Bonds in accordance with the provisions of the Bond Proceedings. The exchange or transfer shall be without charge to the owner, except that the City and Bond Registrar may make a charge sufficient to reimburse them for any tax or other governmental charge required to be paid with respect to the exchange or transfer. The City or the Bond Registrar may require that those charges, if any, be paid before the procedure is begun for the exchange or transfer. All Bonds issued and authenticated upon any exchange or transfer shall be valid obligations of the City, evidencing the same debt, and entitled to the same security and benefit under the Bond Proceedings as the Bonds surrendered upon that exchange or transfer. Neither the City nor the Bond Registrar shall be required to make any exchange or transfer of (i) Bonds then subject to call for redemption between the 15<sup>th</sup> day preceding the mailing of notice of Bonds to be redeemed and the date of that mailing, or (ii) any Bond selected for redemption, in whole or in part.

Section 7. Sale of the Bonds to the Original Purchaser. The Director of Finance is authorized to sell the Bonds at private sale to the Original Purchaser at a purchase price, not less than 97% of the aggregate principal amount thereof, as shall be determined by the Director of Finance in the Certificate of Award, plus accrued interest (if any) on the Bonds from their date to the Closing Date, and shall be awarded by the Director of Finance with and upon such other terms as are required or authorized by this Ordinance to be specified in the Certificate of Award, in accordance with law, the provisions of this Ordinance and, to the extent it is determined necessary by the Director of Finance in the Certificate of Award, the Purchase Agreement.

The Director of Finance shall sign and deliver the Certificate of Award and shall cause the Bonds to be prepared and signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Bonds, to the Original Purchaser upon payment of the purchase price.

To the extent it is determined necessary by the Director of Finance in the Certificate of Award, the Manager and the Director of Finance shall sign and deliver, in the name and on behalf of the City, the Purchase Agreement between the City and the Original Purchaser, in a form as is approved by the Manager and the Director of Finance, providing for the sale to, and the purchase by, the Original Purchaser of the Bonds. The Purchase Agreement is approved, together with any changes or amendments that are not inconsistent with this Ordinance and not substantially adverse to the City and that are approved by the Manager and the Director of Finance on behalf of the City, all of which shall be conclusively evidenced by the signing of the Purchase Agreement or amendments thereto.

The Mayor, the Manager, the Director of Finance, the Director of Law, the Municipal Clerk and other City officials, as appropriate, each are authorized and directed to sign any transcript certificates, financial statements and other documents and instruments and to take such actions as are necessary or appropriate to consummate the transactions contemplated by this Ordinance. The actions of the Mayor, the Manager, the Director of Finance, the Director of Law, the Municipal Clerk or other City official, as appropriate, in doing any and all acts necessary in connection with the issuance and sale of the Bonds are hereby ratified and confirmed.

Section 8. Federal Tax Considerations. The City covenants that it will use, and will restrict the use and investment of, the proceeds of the Bonds in such manner and to such extent as may be necessary so that (a) the Bonds will not (i) constitute private activity bonds or arbitrage bonds under Sections 141 or 148 of the Code or (ii) be treated other than as bonds the interest on which is excluded from gross income under Section 103 of the Code, and (b) the interest on the Bonds will not be an item of tax preference under Section 57 of the Code.

The City further covenants that (a) it will take or cause to be taken such actions that may be required of it for the interest on the Bonds to be and remain excluded from gross income for federal income tax purposes, (b) it will not take or authorize to be taken any actions that would adversely affect that exclusion, and (c) it, or persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the Bonds to the governmental purpose of the borrowing, (ii) restrict the yield on investment property, (iii) make timely and adequate payments to the federal government, (iv) maintain books and records and make calculations and reports and (v) refrain from certain uses of those proceeds, and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code.

The Director of Finance or any other officer of the City having responsibility for issuance of the Bonds is hereby authorized (a) to make or effect any election, selection, designation, choice, consent, approval, or waiver on behalf of the City with respect to the Bonds as the City is permitted to or required to make or give under the federal income tax laws, including, without limitation thereto, any of the elections available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting favorable tax treatment or status of the Bonds or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments or penalties with respect to the Bonds, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments with respect to the Bonds, which action shall be in writing and signed by the officer, (b) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the City, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Bonds, and (c) to give one or more appropriate certificates of the City, for inclusion in the transcript of proceedings for the Bonds, setting forth the reasonable expectations of the City regarding the amount and use of all the proceeds of the Bonds, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on and the tax status of the Bonds. The Director of Finance or any other officer of the City having responsibility for issuance of the Bonds is specifically authorized to designate the Bonds as “qualified tax-exempt obligations” if such designation is applicable and desirable, and to make any related necessary representations and covenants.

Each covenant made in this Section with respect to the Bonds is also made with respect to all issues any portion of the debt service on which is paid from proceeds of the Bonds (and, if different, the original issue and any refunding issues in a series of refundings), to the extent such compliance is necessary to assure exclusion of interest on the Bonds from gross income for federal income tax purposes, and the officers identified above are authorized to take actions with respect to those issues as they are authorized in this Section to take with respect to the Bonds.

#### Section 9. Security for and Covenants Relating to Bonds.

(a) The Bonds and any Additional Bonds that may be issued hereafter on a parity therewith, are special obligations of the City, and the principal and interest on the Bonds are payable solely from, and such payment is secured by a pledge of and lien on, those Nontax Revenues established by and as provided in this Ordinance which are on deposit in the Economic Development Bond Service Fund, as described below.

There is hereby created by the City a separate fund named the Economic Development Bond Service Fund into which Nontax Revenues shall be deposited in accordance with the following provisions.

The City hereby covenants and agrees that on or before each Payment Date it shall deposit in the Economic Development Bond Service Fund from Nontax Revenues selected by the City an amount equal to the amount of principal and interest due on the Bonds on that Payment Date, less, in the discretion of the City, any interest earnings or other moneys accumulated in the Economic Development Bond Service Fund which have not theretofore been used as a credit against a prior payment obligation. Moneys in the Economic Development Bond Service Fund shall be used solely and exclusively to pay principal and interest on the Bonds and any hereafter designated Additional Bonds when due.

The City hereby covenants and agrees that so long as Bonds are outstanding, it will appropriate and maintain sufficient Nontax Revenues each year to make each payment due under this Section 9 and to pay principal and interest when due; *provided, however*, the payments due hereunder and under the Bonds are payable solely from Nontax Revenues, which Nontax Revenues are hereby selected by the City pursuant to Section 165.12, Ohio Revised Code, as moneys that are not raised by taxation. The Bonds are not secured by an obligation or pledge of any moneys raised by taxation. The Bonds do not and shall not represent or constitute a debt or pledge of the faith or credit or taxing power of the City, and the owners of the Bonds have no right to have taxes levied by the City for the payment of principal and interest on the Bonds.

Nothing herein shall be construed as requiring the City to use or apply to the payment of principal and interest on the Bonds any funds or revenues from any source other than Nontax Revenues. Nothing herein, however, shall be deemed to prohibit the City, of its own volition, from using, to the extent that it is authorized by law to do so, any other resources for the fulfillment of any of the terms, conditions or obligations of this Ordinance or of the Bonds.

(b) The City will at all times faithfully observe and perform all agreements, covenants, undertakings, stipulations and provisions to be performed on its part under this Ordinance and the Bonds and under all proceedings of this Council pertaining thereto. The City represents that (i) it is, and upon delivery of the Bonds covenants that it will be, duly authorized by the Constitution and laws of the State of Ohio including particularly and without limitation the Act, to issue the Bonds and to provide the security for payment of the debt service charges in the manner and to the extent set forth herein and in the Bonds; (ii) all actions on its part for the issuance of the Bonds have been or will be taken duly and effectively; and (iii) the Bonds will be valid and enforceable special obligations of the City according to their terms. Each obligation of the City required to be undertaken pursuant to this Ordinance and the Bonds is binding upon the City, and upon each officer or employee of the City as may from time to time have the authority under law to take any action on behalf of the City as may be necessary to perform all or any part of such obligation, as a duty of the City and of each of those officers and employee resulting from an office, trust or station within the meaning of Section 2731.01, Ohio Revised Code, providing for enforcement by writ of mandamus.

(c) All books and documents in the City's possession relating to the Nontax Revenues shall be open at all times during the City's regular business hours to inspection by such accountants or other agents of the owners of the Bonds as the owners may from time to time designate.

(d) The Municipal Clerk, or another appropriate officer of the City, shall furnish to the Original Purchaser a true transcript of proceedings, certified by that officer, of all proceedings had with reference to the issuance of the Bonds along with such information from the records as is necessary to determine the regularity and validity of the issuance of the Bonds.

Section 10. Financing Costs. The expenditure of the amounts necessary to pay any Financing Costs in connection with the Bonds, to the extent not paid or reimbursed by the Original Purchaser in accordance with the Certificate of Award, or to the extent it is determined necessary by the Director of Finance in the Certificate of Award, the Purchase Agreement, is authorized and approved, and the Director of Finance is authorized to provide for the payment of any such amounts and costs from the proceeds of the Bonds to the extent available and otherwise from any other funds lawfully available that are appropriated or shall be appropriated for that purpose.

Section 11. Call for Redemption; Escrow Trustee; Escrow Agreement; Escrow Fund. To provide for the payment of the principal of and interest on the Refunded Bonds, the Director of Finance is hereby authorized to designate in the Certificate of Award a bank or trust company authorized to do business in the State of Ohio to act as the Escrow Trustee. The Manager and the Director of Finance shall sign and deliver, in the name and on behalf of the City, the Escrow Agreement between the City and the Escrow Trustee, in substantially the form as is now on file with the Municipal Clerk. The Escrow Fund provided for in the Escrow Agreement is hereby created. The Escrow Agreement is approved, together with any changes or amendments that are not inconsistent with this Ordinance and not substantially adverse to the City and that are approved by the Manager and the Director of Finance, on behalf of the City, all of which shall be conclusively evidenced by the signing of the Escrow Agreement or amendments thereto. The Director of Finance shall provide for the payment of the services rendered and for reimbursement of expenses incurred pursuant to the Escrow Agreement, except to the extent paid or reimbursed by the Original Purchaser in accordance with the Certificate of Award and the Purchase Agreement (if any), from the proceeds of the Bonds to the extent available and then from other money lawfully available and appropriated or to be appropriated for that purpose.

Acting pursuant to the 2010 Bond Ordinance which authorized the 2010 Bonds, the Refunded Bonds, as determined by the Director of Finance in the Certificate of Award to be refunded and called for redemption, are hereby called for redemption on the earliest practicable date as set forth in the Certificate of Award (the "Redemption Date") at the required redemption price of the principal amount thereof, and the Director of Finance is

hereby authorized and directed to cause those Refunded Bonds to be called for redemption on the Redemption Date and arrange for the notice of redemption to be given in accordance with the applicable provisions of the 2010 Bond Ordinance.

For informational purposes, a certified copy of this Ordinance shall be sent by the Director of Finance to the current bond registrar for the Refunded Bonds.

In order to provide for the payment of (a) the interest on the Refunded Bonds on any interest payment date following the Closing Date and through the Redemption Date, (b) the principal and mandatory sinking fund payments (if any in each case) of the Refunded Bonds maturing on or prior to the Redemption Date, and (c) the principal of the Refunded Bonds to be called for redemption on the Redemption Date, the City covenants and agrees with the Escrow Trustee and with the owners of the Refunded Bonds that the City will take, and will cause the Escrow Trustee to take, all steps required by the terms of the Escrow Agreement to carry out such payments. The City will provide from the proceeds of the Bonds and other available funds in accordance with this Ordinance, moneys and investments sufficient to pay in full (a) the interest on the Refunded Bonds on any interest payment date following the Closing Date and through the Redemption Date, (b) the principal and mandatory sinking fund payments (if any in each case) of the Refunded Bonds maturing on or prior to the Redemption Date, and (c) the principal of the Refunded Bonds to be called for redemption on the Redemption Date. The City covenants and agrees with the Escrow Trustee and with the owners of the Refunded Bonds that the City will take, and will cause the Escrow Trustee to take, all steps required by the terms of this Ordinance, Chapters 133 and 165 of the Ohio Revised Code, and the Escrow Agreement to carry out such payments so that the Refunded Bonds are not deemed to be outstanding.

There shall be delivered to the Escrow Trustee for the Escrow Fund proceeds to be received from the sale of the Bonds and other available funds which may be invested, and if invested shall be invested in United States Treasury Obligations ("Treasury Securities"), State and Local Government Series ("SLG Securities") or other direct obligations of, or obligations guaranteed as to both principal and interest by, the United States of America as defined in Chapter 133 of the Ohio Revised Code (direct obligations and guaranteed obligations together with the SLG Securities, collectively, the "Securities"), and to the extent not invested in Securities, shall otherwise be held in cash in the Escrow Fund.

The Securities and such portion of the moneys in the Escrow Fund which may be held in cash may, to the extent determined by the Director of Finance that it would be in the best interest of and financially advantageous to the City, be certified by an independent public accounting firm of national reputation in a written report (the "Verification Report") to be of such maturities or redemption dates and interest payment dates, and to bear such interest, as will be sufficient together with any moneys in the Escrow Fund to be held in cash as contemplated by the Verification Report, without

further investment or reinvestment of either the principal amount thereof or the interest earnings therefrom, to cause the Refunded Bonds to be deemed to be not outstanding as provided for in Chapter 133 of the Ohio Revised Code. The balance of those proceeds, less any amount thereof contemplated by the Verification Report to be held in cash in the Escrow Fund and less any amount otherwise provided for herein, shall be used for the payment of costs related to the refunding and the issuance of the Bonds. The Director of Finance is hereby authorized to retain and designate in the Certificate of Award an independent public accounting firm of national reputation to prepare and deliver the Verification Report.

At the direction of the Director of Finance, the Escrow Trustee or the Original Purchaser is authorized to apply and subscribe for SLG Securities on behalf of the City. Further, if the Director of Finance determines that it would be in the best interest of and financially advantageous to the City to purchase Treasury Securities for deposit into the Escrow Fund, the Director of Finance or any other officer of the City, on behalf of the City and in their official capacity, may purchase and deliver such obligations, engage the services of a municipal advisor, placement agent, bidding agent or similar entity for the purpose of facilitating the bidding, purchase and delivery of such obligations for, and any related structuring of, the Escrow Fund, execute such instruments as are deemed necessary to engage such services for such purpose, and provide further for the payment of the cost of obtaining such services, except to the extent paid by the Original Purchaser in accordance with the Certificate of Award and the Purchase Agreement (if any), from the proceeds of the Bonds to the extent available and otherwise from any other funds lawfully available and that are appropriated or shall be appropriated for that purpose.

Any such Securities, and moneys, if any, in addition thereto contemplated by the Verification Report to be held in cash, shall be held by the Escrow Trustee in trust and committed irrevocably to the payment of the principal of and interest on the Refunded Bonds.

Section 12. Additional Bonds. The City shall have the right from time to time to issue Additional Bonds on a parity with the Bonds, which Additional Bonds shall be payable solely from the Nontax Revenues, and such payment shall be secured by a pledge of and a lien on the Nontax Revenues as provided by the Act and by an ordinance passed by this Council authorizing the issuance of those Additional Bonds.

If determined by the Director of Finance to be in the best interest of and financially advantageous to the City, the Director of Finance may provide in the Certificate of Award that the issuance of any Additional Bonds shall be subject to a Coverage Test (as hereinafter defined); provided, that any limit on the maximum annual aggregate debt service and required payments on the Bonds and proposed Additional Bonds payable from Nontax Revenues shall not be less than 50% of estimated Nontax Revenues for the fiscal year immediately following the issuance of the proposed Additional Bonds, or in the case of the issuance of bond anticipation notes, the largest amount required to be paid

in any succeeding calendar year to meet the estimated interest and principal maturities of the bonds anticipated (the "Coverage Test").

The proceeds of any sale of Additional Bonds shall be allocated in the manner provided in the ordinance authorizing their issuance. Junior lien or other subordinate bonds payable from the Nontax Revenues may be issued without limitation.

The Additional Bonds shall bear such designation as may be necessary to distinguish them from the Bonds or other Additional Bonds having different provisions and shall have maturities, interest rates, interest payment dates, redemption provisions, denominations and other provisions as provided in the ordinances hereafter adopted providing for the issuance of the Additional Bonds; provided, however, that those terms and provisions shall not be inconsistent with this Ordinance to the extent it governs the issuance and terms of Additional Bonds.

Section 13. Notification of Bond Issuance. The Director of Finance is authorized and directed to provide the notification required by Section 165.03(D) of the Ohio Revised Code to the Director of the Ohio Development Services Agency.

Section 14. Bond Counsel. The legal services of the law firm of Squire Patton Boggs (US) LLP are hereby retained. Those legal services shall be in the nature of legal advice and recommendations as to the documents and the proceedings in connection with the authorization, sale and issuance of the Bonds and rendering at delivery related legal opinions, all as set forth in the form of engagement letter from that firm which is now on file in the office of the Municipal Clerk. In providing those legal services, as an independent contractor and in an attorney-client relationship, that firm shall not exercise any administrative discretion on behalf of this City in the formulation of public policy, expenditure of public funds, enforcement of laws, rules and regulations of the State of Ohio, any county or municipal corporation or of this City, or the execution of public trusts. For those legal services, that firm shall be paid just and reasonable compensation and shall be reimbursed for actual out-of-pocket expenses incurred in providing those legal services. The Director of Finance is authorized and directed to make appropriate certification as to the availability of funds for those fees and any reimbursement and to issue an appropriate order for their timely payment as written statements are submitted by that firm. The amounts necessary to pay those fees and any reimbursement are hereby appropriated from the proceeds of the Bonds, if available, and otherwise from available moneys in the General Fund.

Section 15. Placement Agent. The services of Robert W. Baird & Co. Incorporated, as placement agent, are hereby retained. The placement agent services shall be in the nature of financial advice and recommendations in connection with the issuance and sale of the Bonds. In rendering those placement agent services, as an independent contractor, that firm shall not exercise any administrative discretion on behalf of the City in the formulation of public policy, expenditure of public funds, enforcement of laws,

rules and regulations of the State of Ohio, the City or any other political subdivision, or the execution of public trusts. That firm shall be paid just and reasonable compensation for those placement agent services and shall be reimbursed for the actual out-of-pocket expenses it incurs in rendering those placement agent services. The Director of Finance is authorized and directed to make appropriate certification as to the availability of funds for those fees and any reimbursement and to issue an appropriate order for their timely payment as written statements are submitted by that firm. The amounts necessary to pay those fees and any reimbursement are hereby appropriated from the proceeds of the Bonds, if available, and otherwise from available moneys in the General Fund.

Section 16. Publication of Legislation. The Municipal Clerk is directed to cause a summary of this Ordinance to be published in accordance with Section 4-5 of the Charter.

Section 17. Satisfaction of Conditions for Bond Issuance. This Council determines that all acts and conditions necessary to be done or performed by the City or to have been met precedent to and in the issuing of the Bonds in order to make them legal, valid and binding special obligations of the City have been performed and have been met, or will at the time of delivery of the Bonds have been performed and have been met, in regular and due form as required by law; that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Bonds; and that the Bonds are being authorized and issued pursuant to the Act, the Charter of the City, this Ordinance, the Certificate of Award and other authorizing provisions of law.

Section 18. Compliance with Open Meeting Requirements. This Council finds and determines that all formal actions of this Council and any of its committees concerning and relating to the passage of this Ordinance were taken in an open meeting of this Council or any of its committees, and that all deliberations of this Council and of any of its committees that resulted in those formal actions were in meetings open to the public, all in compliance with the law, including Section 121.22 of the Ohio Revised Code.

Section 19. Effective Date. This Ordinance is declared to be in full force and effect from and after the earliest period allowed by law.
