Ms. Stephanie Kellum Deputy City Manager and Mr. Stephen McHugh Law Director, spoke about the Medical Marijuana House Bill 523 will be managed by the Ohio Department of Commerce and State Board of Pharmacy according to Section 4729.75 of the Ohio Revised Code. HB523 for the State of Ohio authorizes the use of marijuana for medical purposes to establish the Medical Marijuana Control Program for the cultivation, processing dispensing,

testing, possessing or for use for special serious health conditions. The City of Trotwood at their regular council meeting on September 6, 2016, approved legislation implementing a six (6) month moratorium for the issuance of permits under HB523 to decide what our obligations are for retail dispensaries licensed under the ORC 3769.29. Councilman Hankins would like hear input from our Police Department. City Council are in agreement, future workshop will be held to discuss the pro's and con's of this program and what the effect would have on our law enforcement. Mayor asked for citizens for comments - If other jurisdictions within our state and region allow permits for retail dispensaries we should too. Medical use would be ok, need strick legislation, and it would definitely put a burden on our law enforcement agency.
