TITLE:

PRESENTATION TO TROTWOOD CITY COUNCIL REGARDING THE WOLF CREEK SANITARY SEWER REPLACEMENT PROJECT NO: CD25U - 3 minutes

PURPOSE: Presentation to the Trotwood City Council and the City Manager or his Designee that Public Works will begin preparing Construction Bid Package to replace 3 (three) stream crossings of 2-12" diameter and 1-18" diameter. By eliminating the inverted siphon, the septic situation/odor problems will be corrected.

DEPARTMENT: Department of Public Works

CONTACT INFORMATION: Eric G. Baxter, Project Manager

INFORMATION: OPWC State Capital Improvement Program and/or local Transportation Improvement Program to address the deteriorating condition. The work is needed to eliminate the creek crossing to insure the health and safety of those residences that reside along this portion of Wolf Creek. Locating the sewer line 5 feet beyond the top of the bank. The new trunk sewer will be placed on the south side of Wolf Creek which will meet current OEPA requirements

FISCAL & STAFF IMPACT: OPWC which will contribute 75% of the funds for these improvements not to exceed \$567,580.00 and the city of Trotwood will contribute 25% in matching funds in the amount not to exceed \$189,193.00

RECOMMENDATION: That the City Council, City Manager and Finance Director except the presentation and grant Public Works authorization to proceed with advertisement to obtain bids
